A Cordial Invitation

We extend to you a cordial invitation and a hearty welcome to be our guest at Golden Oak Farms on Monday, April 3.

Our third Annual Sale will carry more Prince Peter Breeding than we have previously offered. There will be nine of his sons, six daughters, thirteen grandsons and ten granddaughters.

We have concentrated the blood of this great breeding bull through careful line breeding, and the results are Shorthorns with uniformity of type and conformation, plenty of scale, smoothness, and natural fleshing. His blood is very predominant in our herd today, and we are happy to share this breeding with our customers through such a large number of bulls and females in this offering.

The group of twenty-seven bulls is really outstanding, most of which have enough age to stand hard service. None of the tops have been sold, therefore, the entire crop will be available for your approval sale day.

We present this offering of fine cattle with confidence that they will go on and produce the right kind of Shorthorns that will do well for their new owners.

We sincerely hope that you will attend, and will be expecting you at Golden Oak Farms Monday, April 3.

C. M. CARAWAY AND SONS

GOLDEN BUTTERFLY 2ND and PRINCE PETER STANDARD
Champion pair, reserve champion female and reserve champion bull
1949 Fort Worth Stock Show.

The Greatest Lot of Shorthorns ever Offered by GOLDEN OAKS FARM

Golden Oak Farms have reserved all of their top bulls and females to make this third annual sale at the farm one of the best. The sale will carry more Prince Peter breeding than they have previously offered. There will be 9 own sons of Prince Peter 2053672, 6 daughters, 13 grandsons and 10 granddaughters.

An unusual feature of this sale will be a group of 27 bulls that are really outstanding. Most of them are long yearlings and two year olds ready for heavy service in pure bred, range and commercial herds. None of the tops have been sold, therefore, the entire crop will be available for your approval on sale day. 22 are sired by Prince Peter and his sons, four are by Edellyn Royal Leader 14th and one by the Perth first prize winner Calrossie Supreme.

The 12 bred and open heifers include the best group of females ever offered. Included is the great two year old show heifer, Golden Butterfly 2d, mated since August 25th to Prince Peter Standard, 1949 Ft. Worth reserve grand champion bull. Golden Oak Duchess 5th by Westmoreland Prince, grand champion female at the 1950 Phoenix Stock Show, also sells and is a junior yearling that will make a strong two year old for next year's shows.

Another attractive group being offered are the 17 cows, all selected right out of the Golden Oak breeding herd and some of them the dams of Golden Oak Farms prize winners. Many of the females have been mated to produce line bred Prince Peter calves that have proven so successful.

The careful blending of PRINCE PETER and EDELLYN ROYAL LEADER 14TH bloodlines, is doing a great job at Golden Oak Farms. The Golden Oak herd is large and both of these sires along with several of their most outstanding sons are in active service in their herd. The owners of Golden Oak Farms have approached the breeding in Shorthorns from a scientific angle and have found that through careful line-breeding they are being able to develop some of their most outstanding cattle. Shorthorns that are uniform in type and conformation with early maturing features yet having ample bone and scale and a wealth of easy natural fleshing qualities.

You can't miss this event no matter where you live, if you are interested in the production of good Shorthorns on your farm or ranch, either purebred or commercially.

Mervin F. Aegerter,
Sale Manager.

His get will also be featured strongly in this sale in several cows carrying his service. His dam, Merryvale Violet 10th, by Millhills Senator, is an outstanding individual and one of the top producing cows in our herd. Her daughter, Westmorland Violet by Beaufort Command, was a strong contender for top honors in the 1944 shows. Another son, Prince Peter Ransom, sired several of our top selling calves last year. He was purchased in the 1946 International Congress Sale in Chicago by Ned Johnson, Welcome, Minnesota. Westmorland Prince sired the top bull in our 1949 sale and you will find that some of the top bulls in this year's sale are also sired by him.
